

Procedure to connect Y5ZONE WiFi network for Apple Mac OS 10.11

1. Open System Preferences > Network, Turn on Wi-Fi function. Select Y5ZONE SSID on Network Name as below.

2. Open a web browser and try to connect to any valid Internet site. Login page will be displayed as below.

At Login page, enter your CNA account < CNA@vtc.edu.hk > and password.

The screenshot shows a web browser window with the address bar displaying "https://www.y5zone.net/hotspot.net/y5/login_tc.aspx?lang=tc". The page content includes the Y5ZONE logo with the tagline "Unwire the City™". Below the logo, the text "歡迎使用 Y5ZONE 無線上網服務" is displayed, followed by a language selector "ENG". The main login area is titled "登入無線上網" and contains a dropdown menu set to "Y5ZONE", a text input field for "用戶名稱", and another text input field for "密碼". There is a checkbox for "記住我" and a link for "忘記密碼?". A blue "登入" button is positioned at the bottom center of the login form.
